Pap Photo Premium Lustré (260) 260g 24" (0,610x30,5m)

Epson Pap Photo Premium Lustré (260) 260g 24" (0,610x30,5m):

Notre papier Photo Premium Lustré est idéal pour les graveurs numériques et peut être utilisé avec toutes les encres Epson. Il permet de produire des impressions hautement saturées avec une couverture d'encre maximale et une densité maximale (Dmax) élevée pour de vraies reproductions photographiques. Sa base RC (couchage résine) de 0,25 mm offre aux impressions un aspect photographique et la surface lustrée reproduit la finition traditionnellement privilégiée par les photographes professionnels. À l'instar de tous les supports innovants d'Epson, ce papier a été conçu pour vous offrir une résolution et une saturation des couleurs maximales.
