

# HP AMD FirePro W2100 2GB GDDR3

Brand : HP

Product code: 763264-001

Product name : AMD FirePro W2100 2GB

AMD FirePro W2100 2GB Graphics Card

HP AMD FirePro W2100 2GB GDDR3:

Power through your small-to-medium complexity product development and video projects with the latest professional-class GPU technology of the AMD FirePro™ W2100 low profile graphics board.

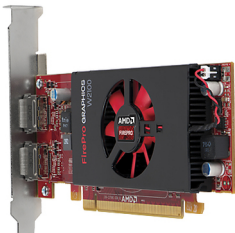

### Features

Get support for your professional software with a GPU that's optimized and certified for more than 100 different leading workstation ISV applications.

Realize dynamic GPU power management with AMD PowerTune, which gives you as much or as little power as you need for your applications, and AMD ZeroCore Power.

Drive dual displays with resolutions up to 4k1 with two DisplayPort 1.2a outputs.

The AMD FirePro W2100 is supported on the following HP Z workstations: Z230 CMT/SFF, Z440, Z640, Z840

| Processor                                          |                    | Performance                         |                                            |
|----------------------------------------------------|--------------------|-------------------------------------|--------------------------------------------|
| Graphics processor family *                        | AMD                | DirectX version *                   | 12.0                                       |
| Graphics processor *                               | FirePro W2100      | Shader model version *              | 5.0                                        |
