Genuine Brother LC1000VALBP High Yield Ink Cartridge Multipack

Brother LC1000VALBP ink cartridge 4 pc(s) Original Black, Cyan, Magenta, Yellow:

All Brother cartridges – including those in this LC1000VALBP Multipack – are rigorously tested to ensure they provide customers with the most consistently reliable solution possible.

This value pack contains four high yield cartridges which last longer than a standard cartridge but offers the same excellent quality results.

Though cheap, non-branded refill cartridges are widely available, they're simply not as compatible with your Brother printer. They can cause issues with both printout quality and your machine's performance – and these problems can sometimes prove costly to put right.

These genuine LC1000 high yield replacement ink cartridges in Black, Cyan, Magenta and Yellow ensure your printer continues to run glitch-free, providing you with better value in the long-term plus the peace of mind that comes from knowing you have a printing setup you can depend on.
