Canon RP-101 Removable Photo Stickers, 4x6", 5 sheets:

Create, print, share and display your favourite photos in different ways with the restickable photo paper. Take your smartphone snaps and transform them into stickers ready to share or keep. Give your phone cover, laptop or accessories a truly personal touch with a photo sticker, or update your room and furniture with a few favourite photos. If you want to be more organised, you can even make your own labels. Best of all, if you change your mind, simply peel off the sticker and reapply it wherever you want. Canon RP-101 Removable Photo Stickers, 4x6", 5 sheets. Finish type: Matt, Product colour: White, Sheets per pack: 5 sheets
